Numb. 7651.

The London Gazette.

Published by Authority.

From Saturday November 19. to Tuesday November 22. 1737.

Whitehall, November 22.

ON Sunday the 20th Inſtant, between the Hours of Eleven and Twelve at Night, the Queen departed this Life, after an Illneſs of twelve Days, to the inexpreſſible Grief of His Majeſty, and the Royal Family. The many great and exemplary Virtues, which ſo eminently diſtinguiſh'd Her Majeſty in every Character of Life, and had long been the Object of univerſal Eſteem and Admiration, render the Death of this moſt excellent Princeſs an unſpeakable Loſs to the whole Nation.

Vienna, Nov. 13, N. S. According to our Advices from Hungary, the Turks have retired from Servia, after having left a Garriſon of 4000 Men in the Town of Niſſa, and 8000 at Widdin. 'Tis alſo adviſed, that the Grand Vizier was to ſet out the Beginning of this Month from Iſacka for Adrianople, whither it was ſaid the Grand Signior will repair early next Spring. That the Baſha of Boſnia had repaſſed the River Drin, and retired with his Troops: As to Uſitza, it is ſuppoſed it will be retaken by the Turks, if not abandoned by the Imperialiſts. Yeſterday in the Evening an Adjutant General ſet out from hence, with the definitive Orders of this Court to Count Philippi, with Regard to the Winter Quarters. The Imperial Garriſon of Niſſa is ſafely arrived at or near Belgrade, where General Doxat was put in Priſon as ſoon as he arrived, and a Council of War is ſaid to have been appointed for his Trial; his beſt Friends are at a Loſs how to account for his Conduct in giving up Niſſa to a Body of 12 or 14000 Turks, who had no Cannon with them. There has been a great Talk in Town for ſeveral Days paſt, of Commiſſaries being to be appointed to examine Count Seckendorff's Conduct, but as yet they are not named. M. Lazenski has been obſerved to have been more active of late than uſual, in order to magnify the Diſpoſitions the Czarina is making for the next Campaign, and to encourage this Court to try the Event of it before they hearken to any Propoſitions of Peace.

Vienna, Nov. 16, N. S. Since the laſt Poſt this Court has received a Courier from Tranſilvania, with Advice, that the Turks having only feigned to retire from Walachia, had fallen on a ſudden with a ſtrong Body upon Krajova, which is the Principal Town of the German Walachia, and had ſurpriſed it in ſuch a Manner that about 600 Foot, who were in Garriſon there, were all cut to pieces, except the Commandant and ſome other Officers, who are ſaid to have found Means to eſcape. The Affair of Count Seckendorff ſeems now to be quite dormant; no Commiſſaries are yet appointed. Prince Lichtenſtein ſets out to Night for Paris by the Way of Bruſſels.

Hague, Nov. 26, N. S. The States of Holland ſeparated laſt Saturday, in order to meet again the 11th of next Month. The Reſolution of the States General upon the laſt Anſwer of the Courts of Vienna and France, with reſpect to Bergue and Juliers, was delivered Yeſterday to the Imperial and French Miniſters.

Admiralty Office, November 8, 1737.

Notice is hereby given, that a Seſſions of Oyer and Terminer and Goal Delivery, for the Trial of Offences committed upon the High Seas, within the Juriſdiction of the Admiralty of Great Britain, will be held on Tueſday the 29th of this Inſtant November, at Juſtice Hall, in the Old Baily, London, at Eight of the Clock in the Morning.
